double click system

Aus eins mach zwei

Das modulare Klicksystem – aus eins mach zwei. Eine Zwinge für unterschiedliche Flaschengrößen und Anwendungsbereiche. Flexibler geht's nicht. Kombinationsbeispiele: Lip liner/Lipgloss, Eyeliner/Mascara, Concealer/Creamy Eyeshadow oder für zwei Produkte Ihrer Wahl. Auch als Refill-Variante einsetzbar.

Make one out of two

The modular click system – make one out of two. A tip for various bottle sizes and applications. It doesn't get more flexible than this. Combination examples: lip liner/lipgloss, eyeliner/mascara, concealer/creamy eye shadow or two products of your choice. Also suitable as refill variations.
